I agree with the Cat and Dog Protection homing policy and I accept the above cat with all its faults (if any) and indemnify the Association against any claim arising from any illness or damage, which may arise subsequent to my ownership of the above animal.

I agree to obtain any veterinary treatment for this cat when needed.

I agree to care for this cat as a member of my household, and, in the interests of its personal safety, it will sleep indoors at night throughout its life.

I will not permit this animal to be used in any form of experimentation.

I will not breed with this cat, or allow others to do so, and, it is not already neutered, I will have it spayed/castrated in due course.

If at any future stage I do not wish to keep this cat/kitten, or find myself in a position that I am unable to care for it as I would like, I will return the animal to the Association. **I will not re-home the cat/kitten myself.**
